

REFERENCES

GIVE A MINIMUM OF FOUR REFERENCES, PREFERABLY EDUCATIONAL OR WORK RELATED

<u>NAME</u>	<u>ADDRESS</u>	<u>TELEPHONE</u>

PLEASE READ CAREFULLY BEFORE SIGNING

I hereby authorize WCA Hospital School of Radiologic Technology to contact any schools, employers, references, law enforcement agencies and/or persons who may aid the school in determining my suitability for program acceptance. I release those individuals and/or organizations contacted from all liability whatsoever for issuing the requested information. Additionally, I waive all rights to see or review the information furnished.

I understand that according to the WCA Hospital School of Radiologic Technology policy that I am required to undergo a drug-screening test prior to admission. To comply with that requirement, I consent to providing a sample of my urine prior to school admission and again at any time so requested. Specimens will be tested for both legal (prescription drugs) and illegal substances. A positive test for a legal substance will require proof of a current prescription.

I further understand that refusal to submit to an alcohol or drug screen test at any time will result in immediate dismissal from the Radiology School. I also understand that failure to pass an alcohol or drug screening at any time during my education may result in immediate discharge from the WCA School of Radiologic Technology.

I understand that according to the WCA Hospital School of Radiologic Technology policy that I am required to undergo a physical examination at my own expense prior to admission.

DATE: _____ SIGNATURE: _____

GENERAL INFORMATION

1. **Have you had any work experience that required you to interact with the general public? If so, please explain:**

2. Do you have any experience in a medical-related field (i.e., volunteer work, job, schooling, etc.)?

3. Why did you choose Radiologic Technology as a possible career?

4. Do you know the average salary of a staff radiographer?

5. What do you think are the duties of a staff radiographer?

6. If you are selected as a radiology student, what are your future goals?

7. Why did you select the WCA School of Radiologic Technology program? Have you applied to any other program? If so, what program? _____

8. WCA Hospital does not affiliate with any type of financial aid program. Are you prepared to meet the financial obligations of the school?

The WCA Hospital School of Radiologic Technology takes an applicant's total qualifications into consideration without regard to race, age, religion, sex, sexual orientation, marital status, veteran's status, national origin, color, creed, or handicap.

The American Registry of Radiologic Technologists pledges to promote high standards of patient care to include enforcing high standards of ethics among Registered Technologists and candidates for certification. For that reason, the WCA School of Radiologic Technology requires that applicants answer the following questions:

Have you ever been convicted of a felony or misdemeanor? **YES** **NO**

If yes, please describe in full :

NOTE 1: Convictions resulting from a plea of guilty or a plea of nolo contendere must be reported along with convictions from military courts-martial, and, they must be reported even if you were conditionally discharged or you received a suspended sentence. Misdemeanor speeding convictions are not required to be reported unless they are related to alcohol or drug use.

NOTE 2: Applicants who answer yes to the question immediately above may be deemed registry ineligible, and, thus, will also not be eligible for entrance into the WCA School of Radiologic Technology.

NOTE 3: It is also important to note that students enrolled in the WCA School of Radiologic Technology who are subsequently convicted of a felony or misdemeanor, as explained in Note 1, above, may be dismissed from the program immediately.

NOTE 4: The providing of false, dishonest, and/or misleading information anywhere on the above application or in connection therewith, will, whenever discovered, result in immediate dismissal from the WCA School of Radiologic Technology
